

Will your workforce be protected when flu season strikes?

By getting your team the flu vaccination this year they can become Flu Fighters and prevent the spread of Flu this season!

Sonic HealthPlus has a national influenza program which provides on-site vaccinations at your workplace, or in-clinic vouchers for your team to visit our closest clinic to get their flu shot.

Keep your team healthy this flu season and book your flu program with Sonic HealthPlus!

The cost of influenza in your company can be as much as

\$1,300

for each week

an employee is bedridden.

estimated to cause

1,400
deaths

18,000
hospitalisations
and over

300,000
general practice consultations

in Australia each flu season.

Influenza is a common and acute respiratory illness. By December, 2019, there were a

total of

310,011

individuals

who had laboratory confirmed Influenza in Australia.

The only effective protection against influenza is an annual vaccination.
