

Drug and Alcohol Awareness Online

Corporate Clients

Sonic HealthPlus Training Overview

Sonic HealthPlus is a trusted provider of workplace health and general medicine. With over 50 years' experience we understand the important role education plays in fostering a safe working environment. And it is for this reason we offer a number of training programs across the following topics:

 Drug and Alcohol

 Manual Handling

 Ergonomics

 Fatigue and Stress

 Work Health and Safety

 Rehabilitation and Returning to Work

Our programs are developed with flexibility and accessibility in mind, and are available in a range of formats including online and face-to-face.

Course Overview

The use of alcohol and other drugs in the workplace is a significant occupational health and safety concern. These substances have a variety of effects on users when consumed. These effects may include alteration in mental and physical capabilities which can lead to poor judgement and reasoning, loss of control and coordination, mood changes, risk-taking behaviour, an increase in accidents and injuries in the workplace.

This training program covers:

- Common drugs
- Signs and symptoms of use and abuse
- Long-term effects of alcohol and other drugs
- Impairment at work
- Workplace roles and responsibilities including policies and procedures
- And where to get help.

 **Course Suitability**

The Sonic HealthPlus Drug and Alcohol Awareness training program is designed for any employee in any workplace sector.
